

Teacher's Name X Grade Class- Learning Experiences

Volunteer Sign-Up

Throughout the year, our class will have 6 (usually) learning experiences. This is a fun time that parent volunteers get come into the classroom and run a center/station. Centers include things like running a game, helping with a craft, helping the children decorate a sweet treat, etc. This is a great way to help get involved in your child's class!! If you are willing to help with these Learning Experiences, please fill in the information below! More information will follow once dates are set. Thank you!
