PTA Membership

The purpose of Parent Teacher Association (PTA) is to make every child's potential a reality by engaging and empowering families and communities to advocate for all children. When you join the North Ridge PTA, you also become a member of the North Carolina PTA and National PTA. \$4.00 of each tax-deductible membership donation is sent to the North Carolina and National PTAs with the balance remaining at North Ridge Elementary. Your support provides opportunities for all North Ridge students with recent projects that include paving the track, updating the cafeteria, providing equipment for physical education, purchasing books for the media center and classrooms, updating classroom technology, and funding grants and scholarships for the 5th grade D.C. field trip.
